GUIDANCE TO FINANCIAL INSTITUTIONS FOR QUARTERLY REPORTING OF TERRORIST PROPERTY

Introduction

The *Anti-Terrorism Act Chap 12:07* (the ATA) is designed to assist in combating terrorism and the financing of terrorism. To achieve these aims the ATA mandates every person to disclose to the Financial Intelligence Unit of Trinidad and Tobago (“the FIU”) information relating to property used for the commission of offences under the ATA.

This guidance note is intended to provide assistance to Financial Institutions (FIs) regarding their obligations under section 33 (3) of the ATA to report Quarterly Terrorist Property to the Financial Intelligence Unit (the FIU).

Legal Obligations

The FATF’s recommendations require each country to adopt and implement measures which will enable competent authorities to seize and confiscate property that is the proceeds of, or used in, or intended or allocated for use in the financing of terrorism, terrorist acts or by terrorist organisations.

In this regard, section 33 (3) of the ATA requires every FI to report quarterly to the FIU:

- a) if it is not in possession or control of terrorist property, that it is not in possession or control of such property; or
- b) If it is in possession or control of terrorist property, that it is in possession or control of such property, and the particulars relating to the persons, accounts and transactions involved and the total value of the property.

This reporting obligation applies to you if you are a FI as defined in section 2 of the Proceeds of Crime Act Chap 11:27 (the POCA).

This guidance note outlines the procedures all FIs must follow regarding the submission of Quarterly Terrorist Property Reports (QTRs) to the FIU.
