

Don't be Fooled. Here are some Online Dating Rules:

- Be careful of what you post and make public online.
- Go slowly and ask lots of questions. If they ignore your questions, this is a big red flag.
- Do not share personal or financial information online.
- Do reverse image searches of profile pictures.
- Be wary if you are asked to move from dating sites to other forms of messaging, such as WhatsApp or Telegram.

Support persons affected by Romance Scam schemes to encourage them to make reports on such schemes to the TTPS.
